# Rules for Happiness

Rules	Explanations
Focus	We all put away cell phones, turn off notifications, move away from distractions, use our notebooks, do what is needed to hear from God
Respect	We're all brothers & sisters here, we listen when another is speaking, we treat each other as Jesus would.
Safety	Only 1 person is allowed out of the room at a time - and an adult must know where you are going!
Dismissal	When you leave for the day, make sure you've cleaned up any messes, and then sign out at the check-in/out station and head out to the 1st floor (you can not stay on the 2nd floor!!!)

Don't Die!

**What is humility?**

**Why is it important?**

Matthew 23:1–12

**Why do you think it's so easy to place ourselves at the center of our worlds instead of others?**
